

Seminars on Effectiveness, Dec-08 – Jan-09

Nagesh Belludi

14-Jan-2009

During my visit to Bangalore in December 2008 and January 2009, I conducted seminars and workshops on the following themes in various companies and colleges.

- Avoiding destructive behaviour
- Helping executives become better coaches
- ‘Distinct or Extinct’ – Setting yourself apart from the crowd
- Effective time management
- Ace the job interview & get the offers you want

If you would like me to speak at your organisation during my future visits to India, watch out for announcements on www.RightAttitudes.com. Alternatively, send me an email now (use the ‘Contact’ link at www.RightAttitudes.com) and I will contact you before my next visit to India.

For more ideas on how you can become more effective through positive change in behaviour, please see www.RightAttitudes.com.
